PXC Boostcharger 8A

Item No.: 4512155

Ident No.: 21012

Bar Code: 4006825670554

With the Einhell Power X-Boostcharger 8A, all batteries in the Power X-Change system series can be charged quickly. With one battery and one charger for all devices, you save considerable costs on the purchase, the universal application option protects the environment and offers flexibility. The Power X boost charger has a switchable boost mode, which allows batteries to be charged both in normal, gentle mode and in boost mode for up to 62% shorter charging times. Intelligent charging management offers the highest level of safety. With the help of the hanging loops, the charger can be easily mounted on the wall. Thanks to the refresh mode, it is possible to reactivate deeply discharged batteries.

Features & Benefits

- Fastest charger of the Power X-Change system
- 8-amp rapid charging technology for even shorter charging times
- 62% shorter charging times due to switchable boost mode
- Permanent battery monitoring for optimal charging
- Reactivation of discharged batteries through refresh mode
- Information on battery and charging status via 6-fold LED display
- Easy wall mounting thanks to integrated suspension eyes

Technical Data

- Mains supply 220-240 V | 50-60 Hz
- Output voltage 18 V
- Output current 8 A

Logistic Data

- Product weight (kg) 0.83
- Gross weight (kg) 1.15
- Pieces per export carton 12 Pieces
- Gross weight of export carton 14.6 kg
- Dimensions export carton 470 x 470 x 330 mm
- Container quantity (20"/40"/40"HC) 4020 | 8640 | 10920

CHARGING TIME OVERVIEW
