

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2016 with regard to energy labelling of refrigerating appliances

**Supplier's name or trade mark:** Severin Elektrogräte GmbH

**Supplier's address:** SEVERIN , Röhre 27, 59846 Sundern, DE

**Model identifier:** TKS 8847

**Type of refrigerating appliance:**

|                         |    |                                |              |
|-------------------------|----|--------------------------------|--------------|
| Low-noise appliance:    | No | Design type:                   | freestanding |
| Wine storage appliance: | No | Other refrigerating appliance: | Yes          |

**General product parameters:**

| Parameter                                                                           |        | Value | Parameter                                                                           | Value                            |
|-------------------------------------------------------------------------------------|--------|-------|-------------------------------------------------------------------------------------|----------------------------------|
| Overall dimensions (millimetre)                                                     | Height | 845   | Total volume (dm <sup>3</sup> or l)                                                 | 120                              |
|                                                                                     | Width  | 560   |                                                                                     |                                  |
|                                                                                     | Depth  | 598   |                                                                                     |                                  |
| EEI                                                                                 |        | 63    | Energy efficiency class                                                             | C                                |
| Airborne acoustical noise emissions (dB(A) re 1 pW)                                 |        | 37    | Airborne acoustical noise emission class                                            | C                                |
| Annual energy consumption (kWh/a)                                                   |        | 87    | Climate class:                                                                      | temperate, subtropical, tropical |
| Minimum ambient temperature (°C), for which the refrigerating appliance is suitable |        | 16    | Maximum ambient temperature (°C), for which the refrigerating appliance is suitable | 43                               |
| Winter setting                                                                      |        | No    |                                                                                     |                                  |

**Compartment Parameters:**

| Compartment parameters and values |    |                                           |                                                                                                                                                            |                            |                                                    |
|-----------------------------------|----|-------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------|----------------------------------------------------|
| Compartment type                  |    | Compartment Volume (dm <sup>3</sup> or l) | Recommended temperature setting for optimised food storage (°C)<br>These settings shall not contradict the storage conditions set out in Annex IV, Table 3 | Freezing capacity (kg/24h) | Defrosting type (auto-defrost=A, manual defrost=M) |
| Pantry                            | No | -                                         | -                                                                                                                                                          | -                          | -                                                  |

|                                  |     |       |     |     |   |
|----------------------------------|-----|-------|-----|-----|---|
| Wine storage                     | No  | -     | -   | -   | - |
| Cellar                           | No  | -     | -   | -   | - |
| Fresh food                       | Yes | 107,0 | 4   | -   | M |
| Chill                            | No  | -     | -   | -   | - |
| 0-star or ice-making             | No  | -     | -   | -   | - |
| 1-star                           | No  | -     | -   | -   | - |
| 2-star                           | No  | -     | -   | -   | - |
| 3-star                           | No  | -     | -   | -   | - |
| 4-star                           | Yes | 13,0  | -18 | 2,0 | M |
| 2-star section                   | No  | -     | -   | -   | - |
| Variable temperature compartment | -   | -     | -   | -   | - |

#### For 4-star compartments

|                      |    |
|----------------------|----|
| Fast freeze facility | No |
|----------------------|----|

#### Light source parameters:

|                      |     |
|----------------------|-----|
| Type of light source | LED |
|----------------------|-----|

|                         |   |
|-------------------------|---|
| Energy efficiency class | E |
|-------------------------|---|

**Minimum duration of the guarantee offered by the manufacturer:** 24 months
