

Delock Rubber feet round self-adhesive 5 x 2 mm 100 pieces black

Description

This round rubber feet by Delock can be placed e.g. under technical equipments or housings to protect them from scratches or knocks. They also dampen noise, prevent abrasion and minimize vibration.

Application

The rubber feet have an adhesive pad at the bottom side and can be easily attached to any smooth and clean surface such as wood, glass or plastic. Simply peel off the protective film from the back of the rubber feet and stick the feet to the desired spot.

Multifunctional application

The rubber feet can be used e.g. for keyboards, tables, chairs, glasses, drawers, cupboards or doors.

**100 x**
