

AD 2

With integrated filter cleaning, long-lasting suction power and a 14-litre metal container: The powerful ash and dry vacuum cleaner for the safe removal of ash without contact with dirt.

1 Kärcher ReBoost filter cleaning technology – filter cleaning at the touch of a button

- For high and long-lasting suction power.
- Suitable for vacuuming large quantities of dirt.

3 Flame-resistant material, metal container and metal hose (jacketed)

- For maximum safety while vacuuming ash – even when used incorrectly.

2 Single-part filter system (flame-resistant) with robust flat pleated filter and metal coarse dirt filter

- To easily drain and clean the container without coming into contact with dirt.
- Extremely high level of comfort thanks to the fast filter removal in just one step.

4 Angled handheld tube

- For thorough cleaning of all corners and constricted places in the chimney.

AD 2

- Kärcher ReBoost filter cleaning for long-lasting suction power
- 1-component filter system
- Easily drain and clean the container without coming into contact with dirt
