

Notebook adapter NB-90U, Rev. 2.0

Why buy an expensive brand notebook power supply if it only supports one device type? With the universal notebook adapter NB-90U you are able to supply the most popular notebooks quickly and efficiently with electricity. The enclosed, replaceable 10 adapter plugs provide the right connection for almost every model.

Another special feature of this device is the automatically adjusting voltage, depending on which plug-in attachment you use. Thus, a faulty output voltage, which could damage the device to be operated, practically impossible.

In addition, this 90 watt version comes with a built-in 5V charging socket for USB devices - a true all-round charger for all occasions.

Specifications

Output	12-22V, 5A max. 90W
Input	100-240V / 50-60Hz
Number of Tips	10
Fuse	Over-Temperature-Protection Over-Voltage-Protection Over-Current-Protection Short-Protection Over-Load-Protection
Device Dimensions (H/W/D)	30/57/131mm
Package Dimensions (H/W/D)	255/160/65mm
Weight (net)	345g
Weight (gross)	660g
Packing Units (VE/VPE/PAL)	1/20/500
Guarantee and Warranty	24 Months Guarantee
Article Number	88882040
EAN-Code	4260133122185
Scope of Delivery	Power Cord 10 Various Tips Manual (German & English)
Features	Loading USB devices All changes of status, like power output. will be changed automatically Antistatic Fire-resistant body
