H570e Headset (Teams Version)

Logitech H570e provides employees with a straightforward audio solution. Enjoy *Microsoft Teams*-certified, crystal clear audio on *Teams* calls with this headset, which also features effortless controls for enhanced communication and productivity. The lightweight design is made with a minimum of 45% post-consumer recycled plastic¹ in the plastic parts.

- **Microsoft Teams-certified audio:** Two embedded noise-canceling mics and a large 30 mm audio driver ensure you can hear and be heard in noisy workspaces.
- **Effortless controls for better productivity:** Easily answer or end calls, adjust volume, mute or unmute calls at your fingertips. A dedicated *Teams* button offers quick access to *Teams* activities.
- **USB plug-and-play:** Instantly connects to an employee's laptop via USB-A or USB-C. No drivers or other software are required.
- **Design for sustainability:** Made with a minimum of 45% post-consumer recycled plastic¹ in the plastic parts. Replaceable ear pads extend lifespan.
- **Lightweight comfort:** Features leatherette ear pads, a padded headband, and a featherweight design — for a comfortable fit that won't weigh you down.
- **Remote management:** Logitech Sync offers IT admins a secure and scalable approach to remotely manage and update the headsets².

Connectivity	Connection type	USB-A or USB-C
Audio	Microphone type	2 noise-canceling mics (1 uni-directional mic and 1 omnidirectional mic)
	Flexible mic boom	Rotate the boom up or down and bend it left or right to move it closer to your mouth
	Sound quality	30 mm driver delivers clear audio quality; Digital signal processing (DSP); Acoustic echo cancellation
	Hearing protection	Protection against sounds above 100 dBA; Compliant with EN 50332-2; Enable anti-startle protection on Logi Tune ³ to protect ears from acoustic shocks
Simple to manage	Logitech Sync	Monitor and manage personal collaboration devices from one single platform with Logitech Sync. Sync supports company-wide deployments at scale and simplifies tasks such as firmware updates and feature enablement. ²
Certified for Business	Certifications	Certified for Microsoft Teams
	Compatibility	Works with other popular applications for crystal-clear sound

Ease of use	Lightweight, comfortable design	Leatherette ear pads can be easily cleaned and are conveniently replaceable, plus a padded headband with metal reinforcement provides strength and flexibility, with a fit that feels just right
	Inline controls	Answer/end/reject calls, volume up/down, mute on/off, Teams activities
	Mute status	Mute/unmute calls from the inline controller. A red LED light on the controller provides visual mute status
	Call and Teams light indicator	A flashing white LED on the controller tells you when you have an incoming call. A purple LED for Teams activities.
