

EVOLVE2 75

The new standard for hybrid working. World-class audio engineering for industry-leading call quality.

Advanced ANC = better concentration.

For the first time, we're bringing our fully adjustable Jabra Advanced Active Noise Cancellation™(ANC) to a professional headset, to give you maximum control over your own concentration. With 11 settings to choose from, ANC levels can be tailored to suit your changing needs using the Jabra Sound+ app, to create your own portable focus zone, wherever you are.

Crystal-clear calls.

Eight precision-placed microphones and a revolutionary triple chipset-powered Jabra algorithm filter out the noise around you, meeting Microsoft's Open Office requirements to effectively block unwanted sound and focus solely on your voice, for crystal-clear calls anywhere.

Re-engineered microphone boom arm.

Engineered to be 33% shorter¹, a hide-away microphone boom arm improves flexibility. Meeting Microsoft's Open Office requirements when in Performance Mode, with the boom arm down, Evolve2 75 eliminates background sounds in open workspaces. When hidden away in Discreet mode, it delivers clear calls and music wherever you are.

A new standard of comfort.

We've teamed an ultra-soft leatherette headband with a unique pressure-reducing ear cushion design to improve ventilation, for the ultimate all-day headset. Our ground-breaking dual-foam technology² delivers both outstanding noise isolation and enhanced comfort, for the best of both worlds.

Extended wireless range to maximize mobility.

With 30m wireless range and dual connectivity to your devices, Evolve2 75 gives you flexibility to move around.

Incredible processing power.

Powerful call performance calls for advanced processing power. Three digital chipsets drive an exclusive Jabra algorithm, making Evolve2 75 faster, smarter and more powerful³, with outstanding ANC performance to improve your concentration and maximize productivity in any environment.

Teams-certified for smooth teamwork

Evolve2 75 is certified for MS Teams to get the best experience possible from your chosen platform, with better, easier access to all of its features, ensuring faster adoption and more consistent use by providing a seamless collaboration experience wherever you're working. An integrated fast access button enables quicker access to meetings, and intuitive call management features makes it even easier to keep in touch with colleagues, for a closer connection no matter how far apart you all are.

Incredible audio quality.

A revolutionary dual-foam design and leak-tolerant 40mm speakers deliver incredible audio quality for your calls and music. The latest AAC codecs and an adjustable EQ feature sharpen sound clarity further, to enhance your listening experience.

Customizable apps to do things your way.

Download the Sound+ app for intuitive ANC and HearThrough adjustment, with equalizer and MySound functions to fine-tune your sound and personalize call settings straight from your smartphone. Firmware upgrades are available on the Sound+ app using your mobile, or via Jabra Direct using your PC, where you can access even more personalizable features, to create a superior audio experience that's unique to you.

Plug the pre-paired Jabra Link 390 into a USB port on your computer

Slide the On/Off switch to the Bluetooth position and hold it there until the LED flashes blue

Follow the voice instructions in the headset to pair to your smartphone

Charge with either the charging stand accessory or a USB charging cable.

Full charge time **2 hours 40 mins**
Up to 36 hours of battery

Fast charge in **15 minutes**
Up to 6 hours of battery

HOW TO USE

Activate and toggle between ANC and HearThrough

Push both at same time x1 to turn busylight on/off

Push x1

Press and hold for 1 sec

Push x1

Push x1

Press and hold for 1 sec

Push x1

Alternatively move the microphone boom arm down to answer an incoming call

Push x1 during a call

Push x1 to activate Voice Assistant when not on a call

Move boom up to mute, down to unmute

FEATURES		BENEFITS
Connectivity	Computer	Jabra Link 390 Bluetooth® adapter with USB-A or USB-C variant. Up to 30m/100ft wireless range to your computer, with significantly enhanced coverage and fewer dropouts
	Dual Bluetooth connectivity	Connect two Bluetooth enabled devices at the same time, including mobile device and computer
	Certifications	Microsoft Teams certified and meets Microsoft Open Office requirements
	Multiple device pairing	Pair up to 8 devices
Audio	Microphone	8-microphone technology for outstanding call experience
	Active Noise Cancellation (ANC)	Fully adjustable Jabra Advanced Active Noise Cancellation™ to improve focus in loud environments
	Software integration	Additional features available via Jabra Sound+ app, Jabra Xpress and Jabra Direct
	Voice Assistant access	Quickly access your voice assistant with just the touch of a button
	Speakers	Powerful 40mm speakers and AAC codec deliver richer sound for a more immersive audio experience
Ease of use	Rechargeable battery	Up to 36 hours battery life
	Busylight	360° busylight on both earcups is visible from all angles, acting as a do-not-disturb sign and protecting your focus
	Optional charging stand	Easy charging and docking with the optional charging stand
	Boom arm mute and answer call	Move boom arm up to mute or down to unmute or answer call
	Discreet mode	Hide-away boom arm for discreet look and flexible use when outside the office
	Smart Sensor	On-ear detection recognizes when the headset is in use, allowing autoplating and pausing of audio
	Ear cushions	Unique dual-foam technology enhances comfort and ensures noise isolation, while the re-imagined design of the leatherette ear cushions improve ventilation and reduce pressure, for gentle all-day wear
	Call management	Answer/reject calls; increase/decrease speaker volume; mute
	UC and MS variants	Choose from UC or MS Teams variants
	Color variants	Available in black and beige
