

SIDE BY SIDE TOTAL NO FROST REFRIGERATOR

MPM

MPM-563-SBS-14/N

Type:

- inverter compressor

Features:

- freezing capacity: 14 kg/24 h
- freezer temperature: -18°C
- defrost system (refrigerator/freezer): No Frost
- INOX colour
- electronic touch controls
- LED

Refrigerator equipment:

- 5 shelves
- 4 shelves on the door
- vegetables container
- eggs container
- LCD display on the door

Freezer equipment:

- 5 shelves
- 4 shelves on the door
- freezer drawer
- ice container
- eggs container

Technical parameters:

- total capacity: gross 563 L
- net appliance weight: 81 kg
- gross appliance weight: 88 kg
- refrigerant: R600a/75 g
- noise level: $L_{WA} = 39$ dB
- power supply: 230 V ~ 50 Hz
- annual energy consumption: 313 kWh/year
