

2.5" SSD/HDD Enclosure **StoreJet 25S3**

The 2.5" SSD/HDD Enclosure uses a stylishly designed aluminum case to house a 2.5-inch SATA hard drive or solid state drive up to 9.5mm in height. With the USB 3.1 Gen 1 interface, the StoreJet 25S3 is perfect for uploading, downloading, storing, transferring, and backing up your vital data and information including media-rich content like movies, photos, music, and games.

Reuse your old drive

What do you do with the old hard drive removed from your laptop? Don't throw it away, reuse it! This sturdy aluminum case is ready to house any old SSD/HDD up to 9.5 mm in height for use as a new external drive.

UASP supported

With the support of UASP (USB Attached SCSI Protocol), Transcend's 2.5" SSD/HDD Enclosure can boost transfer speeds faster than the traditional USB 3.1 Gen 1 interface when used with a UASP-enabled host computer.

One touch easy backup

Transcend's 2.5" SSD/HDD Enclosure features a one-touch backup function enabling the express synchronization of files and folders by just one touch. Download the Transcend Elite software from our website to manage your data in a more organized way!

2.5" SSD/HDD Enclosure

StoreJet 25S3
