

AIR FRYER 2L

P101FRI001

Air fryer is the healthiest alternative to traditional frying as it allows frying without or with very little oil. Ideal also for roasting and grilling. With ABS housing and 2 L non-stick container and rack, removable for easy cleaning. Operating light and double knob for temperature adjustment up to 200°C and for the programmable timer up to 30 minutes with automatic switch-off. Protection against overheating.
