

## Securepoint RC400RR G6 hardware firewall 1U 49 Gbit/s

**Brand :** Securepoint

**Product code:** SP-UTM-22510

**Product name :** RC400RR G6

Securepoint RC400RR G6. Firewall throughput: 49 Gbit/s, HTTP-Proxy throughput: 2.7 Gbit/s, VPN throughput: 5.3 Gbit/s. Number of users: 500 user(s). Security algorithms: AES. Connectivity technology: Wired, Ethernet LAN data rates: 2500 Mbit/s, Console port: RJ-45. Storage media type: SSD

| Data transmission                               |             | Ports & interfaces                   |             |
|-------------------------------------------------|-------------|--------------------------------------|-------------|
| Firewall throughput *                           | 49 Gbit/s   | Number of expansion slots            | 2           |
| HTTP-Proxy throughput                           | 2.7 Gbit/s  | Storage                              |             |
| VPN throughput                                  | 5.3 Gbit/s  | Storage media type                   | SSD         |
| Performance                                     |             | Design                               |             |
| Reset button                                    | ✓           | Rack mounting                        | ✓           |
| Network                                         |             | Form factor                          | 1U          |
| Number of users                                 | 500 user(s) | Power                                |             |
| Security                                        |             | AC input voltage                     | 100-240 V   |
| Security algorithms                             | AES         | AC input frequency                   | 50/60 Hz    |
| Management features                             |             | Power consumption (max)              | 360 W       |
| LED indicators                                  | ✓           | Redundant power supply (RPS) support | ✓           |
| Ports & interfaces                              |             | Operational conditions               |             |
| Connectivity technology                         | Wired       | Operating temperature (T-T)          | 0 - 40 °C   |
| USB 3.2 Gen 1 (3.1 Gen 1) Type-A ports quantity | 2           | Storage temperature (T-T)            | -20 - 60 °C |
| Ethernet LAN (RJ-45) ports                      | 8           | Operating relative humidity (H-H)    | 10 - 80%    |
| Ethernet LAN data rates                         | 2500 Mbit/s | Weight & dimensions                  |             |
| Console port                                    | RJ-45       | Width                                | 430 mm      |
| HDMI ports quantity                             | 1           | Depth                                | 475 mm      |
| SFP+ module slots quantity                      | 2           | Height                               | 44 mm       |
