Highlights

Paint your outdoors

With Philips Hue outdoor lighting, there's no limit to the magic you can add. Play with 16 million colours and all shades of white light to create the effect you want. Highlight objects, trees or pathways to make your space stand out. Use the Hue app to save your favourite light settings and recall them whenever you want with the tap of a finger.

Warm to cool white light

Extend your evenings with Philips Hue outdoor lighting. Set the right ambience on your patio, balcony or porch and relax. From the warm white light of a summer sun, to the ice cool daylight of winter: you can enjoy any shade of white light to fit your mood throughout the year.

Special light for special occasions

Holiday cheer starts here – with smart light! Use your Philips Hue lights to transform your home into a festive experience: bright reds and greens for Christmas, subtle pastels for spring or even an eerie purple glow to create the most haunted house on the street at Halloween.

Control it your way

Connect your Philips Hue lights with the Bridge and start discovering the endless possibilities. Control your lights from your smartphone or tablet via the Philips Hue app, or add the indoor switches to your system to change your lights. Set timers, notifications, alarms and more for the full Philips Hue experience. Philips Hue even works with Amazon Alexa, Apple Homekit and the Google Assistant to allow you to control your lights with your voice.

Requires a Philips Hue bridge

Connect your Philips Hue lights with the Bridge to control your lights from your smart phone or tablet via the Philips Hue app. Or control your Philips Hue lights with the Philips Hue dimmer indoor switch for on/off and dimming functionalities.

Easy to install and extend

Brighten up dark paths, create highlights in your landscaping or create a unique ambience on the patio. You can do it yourself, using Hue spots or bollards. The products are based on low voltage, safe to use and easy to install. No more complexity to get lighting outdoors: start to create and extend to suit your needs.

quality aluminium and glass

The products are made specifically for outdoor use. We use high-quality aluminium and tempered glass to ensure the best performance in outdoor conditions. As well as smart use of materials to optimise radio frequency.

High light output

This Philips Hue light provides you with enough output to light up your garden comfortably. Use this Philips Hue light to help you light up your entrances, create more ambience and bring your outdoors to the next level by setting the scene for your moment.
