Bosch MINI ADULT WITH LAMB & RICE:

MINI ADULT WITH LAMB & RICE has been developed specifically for adult dogs of small breeds (up to an adult weight of 15kg), which may often be very picky.

MINI ADULT WITH LAMB & RICE is particularly suitable for food-sensitive dogs as it is manufactured without cereals containing gluten while containing lamb meal flour of a low allergenic potential besides fresh poultry (min. 25%).

Due to the addition of an immune complex containing mannans and glucans, the intestinal flora is stabilized and the immune system is strengthened.

- manufactured without cereals containing gluten (wheat-free)
- contains mannans and glucans for stabilizing the intestinal flora and the immune system
- gentle on the stomach and easily digestible
