Unold Design Dual 4 slice(s) 1350 W Black, White:

In the TOASTER Design Dual, four slices of bread can be toasted, defrosted or warmed up at the same time. The function indicator lights show what it is doing and there is of course a stop button. The degree of toasting can be adjusted continuously and consistent results are achieved by automatically centering the slices of bread, which can be easily removed using the lift function. The white, heat-insulated cool-touch housing houses a removable crumb tray and cable storage. The bun attachment is of course included!
