Bosch GBS 750 Professional Belt sander Black, Blue 850 W:

Sanding large volumes of wood can be very time-consuming and tiring. Our GBS 750 Professional belt sander cuts sanding time and improves overall efficiency due to its outstanding material removal rate driven by the 850 W motor system. It is comfortable to use over long hours thanks to its ergonomic grasping design and well-balanced 3.6 kg weight for either single- or dual-hand operation. Great finishing quality is ensured with the vibration-filtering soft cushion together with a solid and flat plate for ideal tool stability during sanding. You spend less time reworking accidental scratches because the belt remains firmly centered during sanding. You'll see that even though this tool removes material faster, its excellent dust pick-up rate keeps your workspace clean. And dumping collected dust is quicker and easier thanks to the specially designed zip-up dust bag.
