ESGE P 350 Profi:

The ESGE-Zauberstab® P 350 Profi is made for the catering industry! Its long-lasting, robust AC motor "Made in Switzerland" offers 300watts of power to process up to 30 liters of liquid (with a container diameter of approx. 45 cm). Thanks to the safety twin switch with 18,000 or 22,000 revolutions per minute! Its multi-blade ensures top results because it whisks, chops, stirs, purees, strains and mixes. It is also very easy to attach thanks to the plug-on centering. The spiral cable, which can be extended up to 150 centimeters, ensures freedom of movement.
