Epson Premium Luster Photo Paper, 16" x 30,5 m, 260g/m²:

Our Premium Luster Photo Paper is great for digital printmakers and is suitable for use with all of Epson's inks. It delivers highly saturated prints by offering maximum ink coverage and a high D-Max for true photographic reproductions. Its 10-mil RC base gives prints a photographic feel and the luster surface reproduces the finish that has been traditionally favoured by professional photographers. Like all of Epson's innovative media, this paper is engineered to give you the highest resolution and colour saturation possible.
