Braun BC02XBW Quartz alarm clock Black, White:

The BC02XBW classic travel analogue alarm clock features an easy to read dial layout and the iconic yellow second hand that has become synonymous with Braun’s award winning design history.

The design of the BC02X originates from the renowned AB 1, designed in the late 80’s by Dietrich Lubs. Updated to include an improved movement and luminous tipped hour and minute hands. The clean simplistic dial and contrasting hands with luminous tips offer great legibility, and the quartz tick movement is quiet and precise. Its compact size (W5.7cm x H5.7cm x D2.7cm) and lightweight construction make it an ideal travel companion.

Made to last from reliable and durable raw materials, today’s award-winning range of Braun clocks are designed and built with a focus on quality and precision.
